### Section D — What You Are Consenting To

#### What Learnr is

Learnr is a school management platform operated by **CronKode (Pty) Ltd**. It is used by your school to manage attendance, academic records, behaviour, school fees, and communication between the school, teachers, parents and learners.

#### What information will be collected about your child

- Full name, grade and class
- Attendance records (present, absent, late, excused)
- Academic marks and assessment results
- Homework completion records
- Behaviour records (incidents and commendations)
- Fee account balance and payment records
- XP points and achievement badges (gamification)

#### Who will see this information

School administrators, principal, finance staff and your child's teachers (for their classes only) — your child through the student portal — you as parent through the parent portal — CronKode (Pty) Ltd as platform operator under strict data processing obligations. No one outside this group will have access without your consent or a legal obligation.

### How long the information is kept

Learner academic and behaviour records are retained for 7 years after the learner leaves the school (DBE requirement). Financial records are retained for 7 years as required by law.
